DETAIL REPORTS OF THE SESSION 2024

INTRODUCTION: - Shree Shelri Drugdra Basic School is second school in upper Dolpa established by Karma Tundup lama local of Saldang village and Adelheid of Germany in the year 1995 AD. This school runs with the financial support from FREUNDE NEPALS e.V of Germany as main donor and also with the help of other sub donors HIMALAYA CIRRENT U S A, DEUTSCHETIBETHILFE e.V. GERMANY, HUMAN STIFTUNG GERMANY, ALTITUDE PROJECT CANADA. Well-functioning of this school is based on the donations received from the above mentioned donors. With the donations from the above donors INGO, students are given free education with free each and every materials needed for the student. The school is functioning well with the generosity of the donors from Germany, USA and Canada.

SUMMER SESSION 2024:- As per the decisions made by the Sports and

education committee of Shey Phoksundo Rural Municipality last year, we started the summer session 2024 from 22nd of April 2024 A.D (10/01/2081 B.S). From 22nd April till 26th of April 2024, some local teacher along with some SMC members carried out new admission and education Campion as guided by the Sports and education committee. From 28th of April 2024, we started our regular classes with 61 total number of student this year. There were seven new student admitted this year and four of our students have left the school and they have joined other school in Kalimpong of INDIA. From May 22nd 2024 till 6th of June 2024 we had Yertsa collection holiday. During this season, almost all the people they go to collect Yertsa which is their main source of income besides farming. So most of the

children also go with their parent. From 17th of July 2024 till 24th of July 2024, we had conducted our first terminal examination. From 1st of September 2024 till 7th of September 2024 we had attended the Shey Festival which happens after every 12 years. We had taken participation in the cultural show performed by our student and have taken blessing from many renowned Rinpoches. From the 17th of October 2024 till 24th of October 2024 we had conducted final terminal examination and we ended the session on 25th of October 2024 which is final result announcement day and whole session closing day.

MORNING ASSEMBLY TIME:- We start our morning assembly at 8:30 am sharp with morning prayer and national anthem. Every morning we have morning exercise with the music in the free dance form which makes the children more active. After the morning exercise we have children activity of reciting poem in any language, sharing stories and fun jokes by their choice in any language. This is done turn by basis from class one to six. This activity helps the children to be confident and more expressive with teachers and other people. In the evening after 4:00 pm, we have evening prayers and after that we do some extracurricular activities learning dance, songs and games. These activities are taken care by our teachers Nyima Dhargyal, Dawa Wangmo and Tenzin Lhondup who are former student of this school.

EXAMINATION AND RESULT:-

Every year we conduct two examination as an evaluation of the student. The first examination is of 40 total marks and final examination is of 60 marks which in total make 100 in each subjects. From 7th of July 2024 till 24th of July 2024, we had conducted our first terminal examination. From the 17th of October 2024 till 24th of October 2024 we had conducted final terminal examination and we ended the session on 25th of October 2024 which is final result announcement day and whole session closing day. All the student have done well and have promoted to next grade for session 2025. Some very small children of ECD (Nursery) and very weak and irregular student are not promoted and

will attend the same class in the session 2025. All six student in grade six will go to Kathmandu and join Shelter 108 hostel. They will continue their further study in Kathmandu. The hostel in charge has accepted to admit them all this year.

SCHOOL MANAGEMENT COMMITTEE AND THEIR WORKS:- School management committee being the head body of the school, they are responsible of taking the decisions regarding the improvement of the school and welfare of the student, staffs as well. They have tenure of three years and are elected or selected among the parents, social workers and respected people from the community. So this year, we have re-elected our school management committee and we hope they will benefit the school with their experience and dedication. This year they have taken active part in the school new admission Campion guided by Sports and education committee of Rural Municipality. They also helped the school in organizing various programs that had happened in the school this year. They have also requested some funds to the Rural Municipality for the improvement of the playground of the school and also some funds for the improvement of the old school blocks which are really in need of repairing. Following list is the name and designation of the school management committee 2024.

IMPROVEMENT WITH THE SCHOOL INFRASTRUCTURE:- This year there were unexpected damages with the school infrastructure such as with drinking water pipe, compound wall and with the old school block. Due to the snow water and rain, huge part of the upper side of the compound wall had fallen down and we repaired it. Undergrounded drinking water pipe got blocked and we have fixed them again. During the rainy season, many rooms in the old block got leakage and inner partition wall got damaged. We have fixed all the drainage system and fixed the partition wall with stone wall. In coming year we have planned to reroof the block with the green house plastic which helps to hold back water leaking into the rooms.

EYE SCREENING AND THERAPY CAMP:- This year on 15th of August 2024, our school managed space and food facility for the doctor and Amchi group who have come to saldang for screening the eye cataracts and find diseased people who needed the operation during the Shey Festival time. They also carried out certain therapy with the old aged people also. Including our student and staffs, 167 people have been screened and many old people got free eye operation during shey Festival through god of Eye Dr. Sanduk Ruit and his team.

EVENTS AND PROGRAMS IN THE SCHOOL DURING SESSION 2024:- This year we had many programs and events in the school. We are very pleased to receive our guests and visitors that are very important part of the school family specially our sponsors. On 28th of September 2024, Shanpa Rinpoche visited our school and gave teaching to our student, teachers and also parent who had attended the program where Rinpoche focused his teaching on the environmental degradation and its protection. He also shared his words on the importance of educating the today's youth for better future of tomorrow.

Our sponsor Mr. Peter with his friend Mr. Dhana Rai also visited our school and he also fixed the problems with the solar batteries which were donated by him. On 3rd of October we celebrated our school's Silver Jubilee in the presence of our Sponsor Michel celebrated this program in the Gurung, the vice chairman of Shey coordinator of the Sports and and followed by our sponsors team, coordinators of other school and other villagers. We thanked our contributed to the well fare of the and cultural shows by our student. Saldang School and we organized small cultural show to his team and thanked him for his kind contribution to the school with a certificate of felicitation.

Dussaulx with his trek team. We presence of Mr. Pemma Wanchen Phoksundo Rural Municipality and Education committee as Chief Guest other local leaders, head master and many parents of children with the sponsors other people who had school with a certificate of felicitation On 8th of October David team reached

EXTRA CURRICULAR ACTIVITIES:-

As usual there are various kinds of activities that we do in the school beside regular classes. Every Friday we have special activities such as reciting poems in all three languages, hand writing competition and drawing painting competition among the student. Singing and dancing practices for cultural shows. From this year we have added morning music exercises for the student. Till last year we had football game only but from this year, we have introduced volley ball and carom board games in the school. We also carried out certain awareness program on international days such as environment day by planting trees around the school compound and conducting painting competition among the student.

VILLAGERS CONTRIBUTION:-

The school is always being blessed by the villagers. They provide physical helps whenever the school needs and they also provide many necessary material and tools when we need them. They are very good source of green vegetables and dairy products such as milk, curd for the staff and student. They are always providing 30 kg of cow dung to the staff kitchen for cooking purposes and 20 kg of cow dung to the student kitchen for cooking lunch for the student.

CONCLUSION:-

In over all we had pleasant session with colourful result from our students. All the staff and school management committee have put best effort as per their knowledge and ability. Their hard work and constant effort for the well-functioning of the school has given out positive result of 25th anniversary with huge number of outputs where many of them have returned back to Dolpo and giving good service to their people. We cannot stop here without thanking and appreciating our selfless generous sponsors. Without their kindness, functioning of the school seems impossible in the remote place like Dolpo. We would also like to thank Nepal Government, state government and local government for their moral, ethical and financial support for the successful functioning of this school so far.

Last but not the least, we saldang school family would like to thank our valued sponsors and INGO below who have been continuously contributing this school for the better future of children of saldang village.
